

Please reject the NAB petition 04-160. As an over the road truck driver, I benefit greatly from the programming on my XM radio. The weather and traffic reports are worth their weight in gold when I am on the road. I PAY for my XM service and don't appreciate big business deciding what I can and cannot listen to on a service that I PAY for. I respectfully ask for the FCC's understanding in this matter by rejecting the NAB's petition 04-160

Thank You.
